

This manual is intended for people who are students of the Opole University of Technology. To create a new account, follow the steps below in the order indicated.

Step 1

Go to <https://estudent.po.edu.pl> and select *Create new account*.

The screenshot shows the 'PLATFORMA eSTUDENT' sign-up page. At the top, there is a navigation menu with 'MAIN PAGE', 'Services', and 'Help'. The main content area is titled 'Sign Up' and includes the text 'Sign up with your credentials'. A red arrow points to the 'Create new account' link. Below this link are input fields for 'User:' and 'Password:', a reCAPTCHA checkbox labeled 'I'm not a robot', and a 'Sign Up' button. To the right, there are promotional banners for 'EduRoom' (Use EduRoom, Use WiFi for free) and 'Microsoft Office 365' (Use a free e-mail account, be in touch with the dean's office and lecturers).

Your album number can be found in your Student Book and also on the Student Electronic ID Card. First year students receive their album number in an email sent to the e-mail account provided in the eEnrollment system.

If, despite entering your details, you cannot set up an account, get in contact with the Student Service Center to verify and improve your data. Contact details are available on the website <https://cos.po.edu.pl>. Having corrected your data in the Student Service Center, repeat the procedure for creating an account on the following day after noon (12.00).
